Ice Warning
Early Morning Update
Shelby County Emergency Operations Center

December 8, 2013
1:00 a.m.

Hazardous Driving Conditions in Shelby County

Ice has formed on roads, bridges and overpasses. Walnut Grove at Humphreys Boulevard has been closed due to several multi-vehicle crashes.

Other crashes have occurred on sections of Highway 385 south of Macon Road and at the Ridgeway and Hacks Cross interchanges. Those areas have been shut down because of the ice.

Law enforcement agencies urge drivers to use extreme caution for the next several hours, especially near bridges and overpasses.
